All new claims 26-31 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

Regarding to the restriction requirement, the applicant chooses Group I, claims 1-15, as the elected single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable.
